The Cameroon Medical Council holding in session on February 9 and 10, 2024 chaired by the President took the following resolutions:

**1. Concerning the study of applications:**

-Out of 99 requests for registration into the roll, the Council validated 78, expressed reservations for 19 and rejected 2.

-For Private Practice, out of 23 files studied, the Council validated 13 files.

-For Change of Geographical area of Practice, one request was accepted and another rejected.

A Complete list of all these applications can be consulted on the CMC site. For any additional information, please contact the Secretariat of the Council.

2. At the end of an innovative exchange via videoconference with colleagues home and abroad, it was decided to continue and boost this initiative.

3. The President of the Council shall begin a tour of the United States and Europe from February 15 to 25, 2024 to meet medical doctors in the diaspora.

4. In view of the preparation of the Extraordinary General Assembly, the national organizing committee has instructed the various commissions to make their budget proposal available to the treasurer no later than Friday, February 16, 2024.

5. The Council decided to accelerate the registration procedure for the Land acquired in Garoua and was able to obtain an additional 500 m<sup>2</sup> bringing the total area to 1500 m<sup>2</sup>.

6. The Council adopted the elaboration of a manual of procedure and launched a call for tenders to this effect.

7. In order to allow a calm and diligent study of applications of doctors, the Council decides to close the reception of files 48 hours before any Council session.
